INTRODUCTION

This Guide has been developed to help persons with disabilities and their caregivers find needed services. We have tried to include the basic resources available, along with where to call for information and help.

The Guide's purpose is to help you start your search. The listings of services in this directory do not constitute an endorsement. You will find that some of the resources are free of charge, some have fees based on income, and others charges set fees.

We are not able to list some resources because of space limitations. If you need something not listed, or if you have questions about a service, please call:

2016 / 2017 DEL NORTE COUNTY COMMUNITY DISABILITY RESOURCE GUIDE

Published by Tri-County Independent Living
This guide was made possible with the assistance of
Area Agency on Aging serving Napa and Solano Counties

Our mission is to promote the philosophy of Independent Living, to connect individuals to services, and to create an accessible community so that individuals with disabilities can have control over their lives and full access to the community. Since 1978, Tri-County Independent Living (TCIL) has been providing services free of charge for persons with disabilities in Humboldt, Del Norte and Trinity counties.

Services include: information & referral, independent living skills training, housing assistance, advocacy (Individual and community organizing), peer support, services aiding transitions to independence and Assistive Technology (AT) services which help individuals learn about, select, locate and “try out” devices most appropriate to their needs through our free device lending library.

Striving to create a world in which people with disabilities are valued equally and participate fully.
