## Welcome to Tri-County Independent Living's EXPO 2025!

Tri-County Independent Living (TCIL) is proud to be part of a global network of advocates dedicated to promoting the philosophy of independent living. We are committed to connecting individuals with essential services and fostering accessible, inclusive communities—where people with disabilities have the power to make their own choices and enjoy full participation in all aspects of life.

Access to information and education is critical as we continue working toward this vision of the future. The TCIL 2025 EXPO is designed to inform, educate, and showcase the wide range of resources and opportunities available to support independent living.

We hope this event proves valuable to everyone in our community.

Enjoy exploring EXPO 2025!
